

# AIR CAP POOL LEAGUE NEWS

## ROSTERS DUE NEXT WEEK!

We are now in week # 9 of this 14 week session. Next week you will get a roster form attached to your newsletter. At that time you will list 4 to 7 names of players that will be the only players allowed to play on your team during weeks 11 thru 14. The players you list MUST have an established average in the Air Cap Pool League. It takes THREE weeks of play on one team in one session to get an established average...Next week is the last week for 'new players' to establish an average and qualify!

## SCORING ERRORS

EVERY WEEK WE RECEIVE SCORESHEETS THAT HAVE THE WRONG AVERAGES LISTED FOR THE PLAYERS. CAPTAINS YOU SHOULD NEVER TAKE THE AVERAGES OFF YOUR OPPONENTS SCORESHEET. LOOK AT THE STATS PAGE ATTACHED TO THIS NEWSLETTER YOURSELF AND YOU GET THIS WEEK'S AVERAGES. THAT WAY, YOU WILL NEVER BE SURPRISED WHEN YOU FIND OUT YOU DIDN'T WIN AS MANY ROUNDS AS YOU THOUGHT! AVERAGES CAN AND DO CHANGE FROM WEEK TO WEEK. DON'T ASSUME THAT A PLAYER'S AVERAGE IS THE SAME AS LAST WEEK.

## NEW RULEBOOKS

Our new rulebooks have been printed and are in your packets. The entire rule book is also available online on our website: [www.acplwichita.com](http://www.acplwichita.com). Please remember that we are now using the basic BCAPL league rules for all of our divisions (with the exception of the Tuesday Open VNEA sanctioned league). The new rule book will indicate all of the conflicting rules between BCAPL and VNEA...just remember which rules apply to your division.

## MAKE-UP MATCHES

THE ONLY WEEK OFF THAT WE HAVE LEFT IN THIS SESSION TO PLAY MAKE-UP MATCHES IS THANKSGIVING HOLIDAY. IF YOU HAVE A MAKE-UP MATCH, TRY TO REACH YOUR OPPONENT AND AGREE ON A DATE TO PLAY THIS MATCH. LET ME KNOW WHAT YOU WORK OUT AND I WILL DELIVER THE PACKET.
